## Urgent Notification

This is to notify to all the teachers of Kandi Raj College that in this emergent situation of COVID-19 “Lockdown” is observed throughout the country where normal Teaching-Learning process has been interrupted. To continue the process of teaching–learning JDPI sir has instructed to adopt alternative online method immediately and wanted to know the tentative date of implementation if we are not started yet. So my learned colleagues please adopt online method in this exigent situation by adopting any e-Learning process, uploading study materials in our college website and also creating WhatsApp group or choose any other mode of teaching whatever deem fit and start to take classes on war footing basis.

You are requested also to be ready to take your classes from 5<sup>th</sup> April 2020 through on line by any preferred e-Learning teaching methods, uploading video classes along with study materials in various online modes mentioned above for the students of 2<sup>nd</sup> and 4<sup>th</sup> Semester honours first then gradually programme courses also.
